THE OPPORTUNITY

Introducing 1100 W Grand Ave—a newly constructed, seven-story mixed-use project. The site sits prominently at Grand & Aberdeen and retains the well-known flag and flagpole historically maintained by Sterling Bay.

The building includes 99 residential units and approximately 1,700 SF of ground-floor retail fronting Grand Ave. Additional ground-floor features include a bike room and a leasing office. Resident amenities are located throughout the building, with a rooftop deck on the seventh floor.

Parking consists of 28 spaces total: 24 within a rear garage with alley and street access, plus four private garage stalls. ZBA approvals and a special use allowing residential below the second floor are already in place. The asset is well-positioned for future lease-up and long-term value creation.

Available Now For Lease. Retail shell delivery April 2026.

NORTH ELEVATION (VIEW FROM I-90/94)

The North Elevation of 1100 W Grand potentially offers a rare branding moment directly visible to southbound I-90/94, which **sees 300,000+ vehicles per day**. This is premium exposure exclusive to the ground-floor retail tenant. No competing brands. No shared space.

This opportunity delivers:

- Daily visibility to commuters entering the city's core.
- Unobstructed sightlines, extended read times.
- Comparable exposure to paid billboards along this corridor.

Paired with the building's iconic flagpole, your signage becomes part of the city's visual landscape.

Signage will be **offered at additional rent** and subject to CDOT, IDOT and City approval.
